

## **Cemetery Visitations**

### **Sunday, May 24, 2026**

Our supervising minister, Rev. Joshin Dennis Fujimoto, visits several local cemeteries each year leading up to the Memorial Day Weekend. For this year, these visits will take place on Sunday, May 24. At the cemeteries Sensei will conduct brief memorial services for families and loved ones. At each location, Rev. Fujimoto leads a short Buddhist service that includes sutra chanting, a Dharma message, and the offering of incense in remembrance of those who have passed on.

Everyone is warmly welcome to join us to chant or listen quietly, offer incense, and share in this meaningful tradition of remembrance and gratitude.

Visiting the gravesites of family members and loved ones is always a touching experience. Sharing this time together with temple friends and family makes the occasion even more meaningful. These gatherings offer an opportunity not only to honor those came before us, but also to reconnect with one another in fellowship and community.
